

## Graduate Quantitative Psychology Minor Request Form

Request for Admission to the Minor and Plan of Study

Student Name: \_\_\_\_\_ TCU ID: \_\_\_\_\_

1. Proposed Plan of Study: List the coursework to be completed to satisfy the requirements for the Graduate Quantitative Psychology Minor. A total of five courses in statistics, psychometrics, and methods are required. All courses must be completed with a grade of “B” or higher. (See the Psychology Department’s Graduate Student Handbook for more complete specification of the courses that may be used to satisfy the requirements of the minor.) For each course, list the course department and number, the catalog title of the course, and the semester in which you have taken or plan to take the course.

	Department Number	Course Title	Semester
